

SAUD SMADI

CYBER SECURITY | OFFENSIVE OPERATIONS

ABOUT ME

Passionate student specializing in offensive cybersecurity, actively pursuing a BSc in Cybersecurity at Al Hussein Technical University.

Strong belief in the importance of proactive vulnerability identification to enhance defense strategies.

Proficient in low-level languages and techniques, enabling the development of efficient code for advanced attacks.

Demonstrated commitment to collaborative problem-solving and staying updated on emerging IT topics such as Software Development and DevSecOps.

EXPERIENCES

Vice President & Head of Offensive Operations at Cyber security club - HTU

Some of my responsibilities as the head of offensive operations include:

- 1. Creating a comprehensive training pathway:
<https://github.com/smadi0x86/CSC-RedOps>
- 2. Developing and implementing best practices.
- 3. Providing mentorship and guidance.

Some of my work as a vice president:

- 1. Building the base of the cyber security club with a mind map.
- 2. Arranging meetings to build communication and relationship between the club members.
- 3. Choosing the right students to join our cyber security club and make a difference.
- 4. Assisting club members by explaining, guiding and giving a clear accommodation about their responsibilities.

Technical Coach at Enlighten Me Club - HTU

Enlighten Me Club is a student club at Al Hussein Technical University aiming to provide the less fortunate children and teenagers with opportunities to learn programming, english and many more under the emblem of "Knowledge is for everybody".
